~~Arts Based Research,
Autoethnography, and Music~~

Access Free Arts Based Research Autoethnography ~~Education . . .~~

Many arts based researchers combine their art with story, the art part creates moods and images combined with writing which is better at directing emotion. In many cases published words

Access Free Arts Based Research Autoethnography

are used more to explain the art rather than enhance the emotional mood, others combine evocative pictures and words. arts based autoethnography can use evocative stories along with evocative images.
