As a follower of Christ you know--at least deep down--that you were created for more than just loving your family, building your career, or attending weekly church services. We were made to share God's love with others in ways that can impact their lives and redirect their eternities. But few of us are naturally comfortable doing this. We wrestle with internal fears, a lack of preparation, and the sense that reaching out to others might force us to act like someone we're not. We want to encourage people spiritually, but we don't want to get weird or overbearing in the process. We need to be equipped to talk to people about Jesus in ways that fit our God-given personalities, and we would benefit greatly from an infusion of fresh inspiration and practical ideas. In *Contagious Faith*, bestselling author and teacher Mark Mittelberg introduces you to the five Contagious Faith Styles--Friendship-Building, Selfless-Serving, Story-Sharing, Reason-Giving, and Truth-Telling--and helps you discover which of these approaches (or combination of them) will enable you to naturally share your faith in Jesus with the people around you. He also explains in a down-to-earth fashion several key skills that will help you communicate your faith in infectious ways, illustrating his message with real-life accounts of ordinary believers who applied these principles for extraordinary impact. Mark Mittelberg was the primary author of the celebrated *Becoming a Contagious Christian* course, through which he helped nearly two million people around the world learn to communicate their faith. Now, with clear teaching, compelling stories, and inspiring motivation, his new *Contagious Faith* book will help you share the good news of Jesus effectively--even in our increasingly resistant culture.

It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes

time to cultivate spiritual leadership, resulting in lasting disciple-making movements. Through Contagious Disciple Making readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field Practical techniques to equip others to make disciples

Are you missing one of the most exhilarating and rewarding dimensions of the Christian life? Bestselling authors Lee Strobel and Mark Mittelberg use compelling and humorous stories from their own lives in a devotional-style book that paints an irresistible picture of what personal evangelism can be---the fulfilling adventure of a lifetime!

Must the gospel message include a call for people to repent of their sins? “ No, ” say Free Grace advocates. Is evidence of a changed life an important indication of whether a person is truly born again? “ No, again, ” these advocates say. But in this book, Wayne Grudem shows how the Bible answers “ Yes ” to both of these questions, arguing that the Free Grace movement contradicts both historic Protestant teaching and the New Testament itself. This important book explains the true nature of the Christian gospel and answers the question asked by so many people: “ How can I know that I ’ m saved? ”
