Beyond: A Marketing, Branding And Public Relations Agency
In Beyond Branding, Marconi implores the reader to take a new look at how smart marketers are building and leveraging brand equity to develop new business lines and to open new markets. Despite years of "me too" product introduction and consumer-price consciousness, marketers increasingly acknowledge, that in the mind of consumers, a better-known brand is thought to be a better brand.*

Beyond Branding – Transforming no to KNOW
In response to the growing 'anti-globalization' movement and the perception that brands are manipulative and demeaning, Beyond Branding argues that branding is neither inherently good nor evil. It shows that branding can benefit employees, customers and investors if managers rethink their fundamental assumptions about brands and marketing.

Beyond Branding - Kogan Page
Beyond Branding, published in autumn 2003 and available in paperback from 2005, challenges business to adapt to a world of transparency by adopting new ways of meeting the needs of stakeholders and by operating with openness and integrity.
