By Antonin Korenek. The Starcraft Islander is an aluminum boat used for deep-water fishing or cruising. It has a cuddy cabin for lounging or for escaping the elements along with windows to see outside. According to Boating Magazine, the boat is ideal for anglers who may want to speed off to a different spot or even a different port at a moment's notice.

It is a 1987 starcraft islander recently painted with inboard motor. Seller said it ran 2 years ago but it has been sitting since in his yard. The floor is starting to get soft in some places and when we attempted to start it, the motor was not getting spark. I paid \$750 for the boat and trailer. I think I got a heck of a deal for a project.
