Boss Bitch: A Simple 12-Step Plan to Take Charge of Your ...

The book is divided into three sections, and though it's advertised as a "12-step plan to take charge of your career," the 12 chapters of Boss Bitch don't actually all build off each other. Section 1 is about figuring out what career path you want to follow. At 20 pages, it is by far the shortest section of the bunch.

Amazon.com: Boss Bitch: A Simple 12-Step Plan to Take ...

A Boss Bitch is the she-ro of her own story. She is someone who takes charge of her future and embraces being a boss in all aspects of the word: whether as the boss of her own life, family and career, the literal boss at work, or, as the boss of her own company. Whichever she chooses (or all three), a Boss Bitch is someone who gets out there ...

Boss Bitch: A Simple 12-Step Plan to Take Charge of Your Career Hardcover – March 21 2017 by Nicole Lapin (Author) 4.4 out of 5 stars 55 ratings See all formats and editions

"Lapin draws on ... real stories from her own career--the good, the bad, and the ugly--to show what it means to be a 'boss' in twelve easy steps ... She first shows how to embrace the 'boss of you' mentality by seizing the power that comes from believing in yourself and expanding your skillset. Then she offers ... advice for how to kill it at as the 'boss at work,' whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the 'boss of your own business,' from raising money and getting it off the ground to hiring a kickass staff and dealing [with] office drama to turning a profit"

Talking about money sucks; but so does being broke. Do your eyes glaze over just thinking about the mumbo-jumbo of finance? Do you break out into hives at the thought of money? Well, sister, you are not alone. In RICH BITCH, money expert and financial journalist Nicole Lapin lays out a 12-Step Plan in which she shares her experiences, mistakes and all, of getting her own finances in order. No lecturing, just help from a friend. And even though money is typically an off-limits conversation, nothing is off-limits here. Lapin rethinks every piece of financial wisdom you've ever heard and puts her own fresh, modern, sassy spin on it. Sure, there are some hard-and-fast rules about finance, but when it comes to your money, the only person who can spend it is you. Should you invest in a 401(k)? Maybe not. Should you splurge on that morning latte? Likely yes. Instead of nickel-and-diming yourself, Nicole's advice focuses on investing in yourself so you don't have to stress over the little things. But in order to do that, you have to be able to speak the language of money. After all, money is a language like anything else, and the sooner you can join the conversation, the sooner you can live the life you want, RICH BITCH rehabs whatever bad habits you might have and provides a plan you can not only sustain, but thrive with. It's time to go after the rich life you deserve, and confident enough to call yourself a RICH BITCH.

Do you feel daily pressure to keep pushing yourself even when you're stressed and exhausted? It's time to leave Superwoman in the movies, where she belongs, and say hello to being a Super Woman—the best, most productive and balanced version of the hero you already are. For years—maybe your entire life—you've been told that success means having it all and doing it all. But working more and harder is holding you back, not moving you forward. In Becoming Super Woman, New York Times bestselling author Nicole Lapin redefines what it means to be a woman who "has it all"—and shows you how to find lasting success by your own definition, on your own terms. Nicole candidly shares her own story of career burnout and an emergency hospitalization that prompted her to take her mental health seriously for the first time ever. Along the way, she discovered that not only was this priority shift not a defeat, it was the key to unlocking even greater achievements. In her third and most personal book yet, Nicole lays out an actionable, 12-step plan to guide you in taking control and becoming the hero of your own story, with the skills it takes to be a real Super Woman—skills we should (but often don't) learn growing up, from productivity hacks to boundary setting. She makes the case that the real secret to success doesn't hinge on the hustle or degrees you have but in "putting on your own oxygen mask before helping others." In fact, self-care is the biggest asset or liability in our careers—when it's on-point it can help us soar, and when it's neglected it can bring us down faster than anything else. Entertaining, honest, and life-changing, Becoming Super Woman shows you how to banish burnout, ward off a breakdown, and achieve true balance ... finally.

The launching point for you—and for ambitious women like you—to build your wealth, cement your financial independence, and secure the net worth you need to create the life you want; all from famed financial correspondent and Millennial money whisperer Nicole Lapin. Forget the pie-in-the-sky promises and pipedreams. This is a money-in-the-bank masterclass from one of the top voices in the women's personal finance community. From automating your savings; to easy, no-stress ways of investing; to taking smart risks with your money that compounds your wealth and keeps you out of debt; #1 New York Times bestselling author and renowned money expert Nicole Lapin is ready to start you on your journey toward your ultimate destination: being filthy friggin' rich. In Miss Independent, you will learn: The meanings of the most common (and some less common) financial terms and how to make them work to your advantage. The best method for establishing your number—the amount of wealth you want to accumulate before you retire—and getting it. To rethink how you approach money goals and true financial independence. The pros and cons of various financial decisions, such as buying a house, and the effect they could have on your financial life. Miss Independent sweeps away all the fear and misconceptions about saving and investing and achieving financial

independence, and then teaches you all the different ways and paths that you can take to become a millionaire.

Boss Bitch - journal with 100 ruled pages, ready for you to fill with your own writing. This notebook is convenient in size to carry anywhere with you for writing, journaling, doodling and note taking. It makes the perfect gift for that special creative girl. It's much better than sending a card, so grab one now! Features Unique design with a funny title Can be used as a diary, journal and notebook 100 ruled pages of lined paper High-quality white paper Professionally designed thick cover Perfect for gel, pen, or pencils 6" x 9" dimensions; portable size for school, home or work Boss Bitch is the perfect book gift idea for birthdays, anniversaries, New Years Eve, Hanukkah, Christmas, Easter, Thanksgiving, graduation, Labor Day, Valentine's Day, Mother's Day, Father's Day or any special occasion. This beautiful and inspirational journal notebook makes an empowering and a grateful gift for yourself or anyone special.

Spells to empower the modern woman to exact revenge and take charge For the modern woman who wants to unleash her inner bitch, this magical book offers simple spells and incantations to exact revenge on anyone who deserves it—an evil ex, a coworker who stole her thunder, the stylist who ignored what 'just a trim' means, the rude idiot who won't stop talking through the movie—the list sadly never ends. This enchanting collection emboldens women to use their own power to take matters into their own hands, with sassy spells for home, work, love, and more. A driver cut you off? There's a spell for that. Someone on the subway stepped on your shoe and didn't apologize? Just recite an incantation! Boss won't approve your vacation days? Cast a hex! The bitchy witch can also get her friends in on it with included group-cast spells. Complete with 2-color illustrations and inspirational bitchy quotes, Bitchcraft is a cheeky twist on witchcraft for the modern woman.

NEW YORK TIMES BESTSELLER #1 NATIONAL BESTSELLER Discover how to embrace your best basic self in this laugh-out-loud funny guidebook from the breakout star of Bravo's hit reality show Vanderpump Rules, perfect for fans of the relatable and entertaining books by The Betches and Andi Dorfman. Millions of Vanderpump Rules viewers and podcast listeners know Stassi Schroeder as a major defender of Basic Bitch rights. There's nothing more boring than people who take themselves too seriously or think that you have to be pretentious to be cool. Stassi champions the things that many of us are afraid to love publicly for fear of being labeled basic: lattes, pugs, bubbly cocktails, millennial pink, #OOTD (outfit of the day, obv), astrology, hot dogs, the perfect pair of Louboutins, romantic comedies...the list goes on and on. This book is for people tired of pretending they would rather see a Daniel Day-Lewis movie about sewing or read War and Peace than watch a Saw marathon or read...well, this book! In Next Level Basic, the reality star, podcast queen, and ranch dressing expert gives you hilarious and pointed lessons on how to have fun and celebrate yourself, with exclusive stories from her own life and on the set of Vanderpump Rules. From her very public breakups to her most intimate details about her plastic surgery, Stassi shares her own personal experiences with her trademark honesty—all with the hope you can learn something from them.

Show the World You Can't Be Messed With! | Great as a Gift Do you want to make a difference in the world? Be a princess, and do it with style? Then scroll to the top of this page and click the 'Buy' button.

The New York Times bestseller Sophia Amoruso spent her teens hitchhiking, committing petty theft, and dumpster diving. By twenty-two, she had resigned herself to employment, but was still broke, directionless, and working a mediocre day job she'd taken for the health insurance. Eight years later, she is the founder, CEO, and creative director of Nasty Gal, a \$100 million plus online fashion retailer with more than 350 employees. Sophia's never been a typical CEO, or a typical anything, and she's written #GIRLBOSS for outsiders (and insiders) seeking a unique path to success, even when that path is winding as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about how popular you were in high school or where you went to college (if you went to college). Rather, success is about trusting your instincts and following your gut, knowing which rules to follow and which to break.

Now includes a bonus excerpt from Meg Cabot's new Heather Wells novel, Size 12 and Ready to Rock, available wherever books are sold July 10. Heather Wells Rocks! Or, at least, she did. That was before she left the pop-idol life behind after she gained a dress size or two—and lost a boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen—not the police, her colleagues, or the P.I. who owns the brownstone where she lives—even when more students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal. And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .
