Though his royal blood controls the power of the sun, he ' s now responsible for the lives of all the Chicome people. And despite all Ahkin ' s efforts, the sun is fading—and the end of the world may be at hand. For Mayana, the only daughter of the Chicome family whose blood controls the power of water, the old emperor ' s death may mean that she is next. Prince Ahkin must be married before he can ascend the throne, and Mayana is one of six noble daughters presented to him as a possible wife. Those who are not chosen will be sacrificed to the gods. Only one girl can become Ahkin ' s bride. Mayana and Ahkin feel an immediate connection, but the gods themselves may be against them.
