Financial Programming and
Policies (FPP) This course,
presented by the Institute
for Capacity Development,

Online Library Financial Programming And Policy

The Case Of Turkey Reprint
Explains how to diagnose
macroeconomic imbalances and
correct them through a
coordinated set of
adjustment policies. It
covers the principal
features of the four main
macroeconomic sectors (real,

Online Library Financial Programming And Policy

fiscal, external, and
monetary) and their
interlinkages, highlighting
both accounting and
behavioral relationships and
using data from a country
case study.
