remove and paint. The outlines allow you to skip the sketching and simply begin painting. Each sketch is accompanied by a color guide and a completed version of the same flower to serve as a model and inspiration as you paint your own. Using simple terms and step-by-step illustrations, the author explains the basic tenants of botanical watercolor showing you how to layer delicate washes of color and subtle shading so you can easily master the art of creating beautiful, life-like flowers. All you need is this book and some paint to get started today!

As a follow-up to the successful RHS Flowers: A Watercolour Art Pad, this edition includes 15 beautiful plant and flower templates to fill in, plus some introductory step-by-step guidance and tutorials on painting botanical subjects. Creating beautiful botanical paintings has never been easier with these template outlines and art-quality watercolour paper. Perfect for absolute beginners in botanical art, the ready-to-use outlines allow you to focus on the painting and avoid the accuracy of composition drawings. Each outline includes a finished painting by artist Rachel Padder-Smith and a recommended color palette, so all you have to worry about is enjoying the process! Included are step-by-step tutorials on all the essential tips and techniques you need to know, from painting different parts of the flower and shiny surfaces to perfecting the fine veins on leaves, as well as advice on how to correctly capture light. Rachel's stunning illustrations also include fruit and vegetables, so whether you're a lover of autumn leaves, spring daffodils, or even an onion or two, she has you covered. This detailed and visual art book is the perfect start for anyone looking to take up botanical art, refresh their skills, or simply appreciate the beauty of nature.

This stunning guide with original artworks by Emma Faull will

# Get Free Flowers The Watercolor Art Pad

enable painters of all abilities to create exquisite watercolour paintings of birds. Even beginners will be able to produce beautiful watercolour paintings of birds with the help of the guided projects in this book. Fifteen original artworks by acclaimed artist Emma Faull have been reproduced as outlines on high-quality watercolour paper, so that you can achieve beautiful results and enjoy the relaxing practice of watercolour painting. At the front of the book, you'll find inspiration in Emma's original artworks, as well as the recommended colour palettes to use. You'll also find advice from the artist on how to get started and guidance on professional watercolour techniques. To get started, simply choose an outline on watercolour paper and pull it out of the book, then follow the artist's step-by-step advice on creating beautiful watercolours and use the gallery of finished artworks as a guide. The professional paper will also work beautifully with other media, such as acrylic paint, artists' pencils and art brush or marker pens. Includes the following birds: European Goldfinch Peacock Hummingbird American Blue Jay Woodpecker Wren Mandarin Duck Golden Eagle ...and more.

Provides pull-out tracings for nine floral paintings, along with instructions for how to bring them to life with watercolour paint. This book offers guidance on how to transfer the tracings to watercolour paper, along with a section on what materials to use.

This is a book on teaching you how to paint flowers with watercolor. It talks about materials, equipment, composition. direct painting, drybrush, using opaque, wash-over-wash, different types of flowers, lighting etc.--

Follow the step-by-step book and use the pre-printed outlines

# Get Free Flowers The Watercolor Art Pad

on the watercolor paper to create six beautiful flower paintings, and learn all the skills you need to become an accomplished artist. This inspiring watercolour flowers book is the second title in the exciting and innovative Paint Pad Artist series. Beginners as well as more experienced artists will be amazed at how quickly they acquire the skills they need to produce beautiful paintings, and with the initial outlines for the six stunning projects provided on high quality watercolour paper, they can start creating amazing works of art straight away. Written by professional artist and tutor Julie King, the book begins with notes on how to use the pre-printed watercolour paper to achieve the best results, and how to make copies of the outlines should you want to try out the projects again. Following this there is a short 'what you need' section, enabling you to gather together the paints, brushes and basic equipment you need before you start painting, and some brief guidance on general techniques such as how to hold the brush, how to add water to your paint and how to mix colour, plus how to frame and display your work. The six stunning step-by-step projects that follow build in difficulty as you work through the book, introducing new techniques as they are used and incorporating numerous handy hints and tips from the author herself to help you progress on your painting journey. The six sheets of artist-quality watercolour paper are pre-printed with the initial outline drawing for each of the projects, enabling you to start painting straight away and giving you the best possible chance of achieving a successful painting.

For amateur artists who want to learn to paint flowers but lack basic drawing skills, this painting guide will help widen their repertoire of watercolor technique. Featuring six tracings for flower-painting enthusiasts to pull out and transfer on to watercolor paper, this art resource features step-by-step

# Get Free Flowers The Watercolor Art Pad

instructions and photographs on creating vibrant color washes. Projects include a sunflower bouquet, poppies, tulips, iris, and buddleia.

With each project celebrating the basic assemblage of plants—the stem, the petal, the filament, and more—watercolorists and horticulturalists alike will enjoy this resource. Long the skill of choice among field botanists, botanical portraiture emphasizes the specimen against a white background, removed from the distractions of its environment, and presents the structure and elegance of each flower in beautiful detail. Artists are provided with five step-by-step projects, each accompanied by a tracing paper that removes the often daunting drawing and layout process. By keeping the focus on improving brush technique, capturing the subject, and selecting and blending true-to-life colors, painting flowers in watercolor has never been easier or more fun. An informative video of Terry Harrison demonstrating the concept behind the Ready to Paint Series can be found here: <http://www.youtube.com/watch?v=MKBm1Ki7q6M>

A practical guide to flower painting offers insight into the techniques utilized by the author, discussing such topics as materials, color mixing, and the creative process, in a volume that features step-by-step demonstrations and a gallery of one hundred finished works. Original.
