In my book *How to Archive Family Keepsakes*, I explain how you can organize, preserve and pass on what is meaningful and important—without letting inherited items take over your house and your life. Follow these steps to organize, manage and pass on your family archive. 1. Keep only what’s important. Receipts. Newspaper clippings. Old letters.

How to Organize Your Family Keepsakes and Collections
While looking at the family group record for the family, pick a research objective (one person in the family, and one event in that person’s life) to research. Write that objective on the family research log. Select a source you hope will document that event and write the source footnote data on the research log. Get most of the information for the footnote from the catalog of the repository where you are working.

Organizing Your Files • FamilySearch
If you have many records you may want to organize by family. Place these folders in a pest, fire and/or waterproof box (depending on your budget) and keep it a cool, dry location free from dust, light, and pests. An interior closet in your home on an upper floor could work well for this.

Organizing Your Genealogy Files: A Practical Approach ...
I love organizing my family history research electronically. As I’ve mentioned here many times, I try not to print digital documents and instead store everything electronically where I can have easy access to it.. I don’t think I have been clear when I talk about storing my genealogy data electronically that I’m not talking about storing it as a family tree on Ancestry or Family Search.

How I store my genealogy information - Organize Your ...
Organizing Genealogy Files -Ideas There are many ways you can organize your family research files, but one of the ways that work best for me is to color code your files by branch. If your file box for the “Jones” family branch is blue, put a blue label on any files in that box, or use blue files.

Tips for Organizing Genealogy Research - Root To Branches
