Hunter is a beautiful start to the Valiant Series. Following characters that are both flawed and courageous, the book explores the themes of family, bravery, and redemption. While the world is starkly different from the world that we live in, there are many parallels that also exist. If you are looking for a clean, wonderfully-crafted book with relatable characters and a powerful message, this is the book to pick up.

A reckless young woman named Averella does what no woman has ever done. She disguises herself as a man and purposefully gets herself arrested and thrown into Zagerah. Her brother Gabriel was taken, and with his disease, he will not survive on his own. She has no idea what to expect inside the prison; all she knows is that once men get taken, they never come back. The Hunters will find her. Genetically altered to be faster and stronger than humans, the Hunters use their powers to find and kill every prisoner who enter Zagerah. The only ones who can defeat them, are in fact, themselves. Jared is a Hunter. It's all he's known, all he remembers. He kills ruthlessly and without regret, one prisoner after another. When a new prisoner Dalex shows up, everything begins to change. Jared goes undercover to make Dalex and the other prisoners believe he is one of them, a prisoner himself. No one knows the truth. He will trick them. Toy with them. Then, he will kill them.

And for whatever reason, my brother is their number one target. Now the fate of the world lies in the hands of me, a seventeen-year-old girl, but with the help of my best friend, Justin—who's suddenly starting to feel like more—maybe if we save my brother, we can save us all...

They may be free of Zagerah, but there are prisoners inside who aren't, and now the Hunters are on a spree. With Jared's issue and a powerful new evil that will destroy everything they love, can Jared and Averella save the prisoners before they're all massacred?
