With Michael Wood, Gregory Doran, Ray Fearon, Robert Whitelock. Michael Wood tours the English locations important to William Shakespeare as he explores the playwright and poet's life and work.

In Search of Shakespeare (TV Mini-Series 2004) - IMDb

The BBC series In Search of Shakespeare could be the English teacher's most important ally yet. With his typical mixture of intensive research, detective work, boyish enthusiasm and popular appeal, television historian Michael Wood comes closer than anyone to bringing the Bard to life. There are some astonishing discoveries along the way, which help to give a documentary cohesion to ...

In Search of Shakespeare [DVD]: Amazon.co.uk: Michael Wood ...

Thus it was that I set out under a moody sky in search of Shakespeare's London – walking first over to St Helen's Bishopsgate where Shakespeare was a parishioner, according to the parish tax inspector who recorded his failure to pay tax on 15th November 1597. This ancient church is a miraculous survivor of the Fire of London, the Blitz and the terrorist bombings of the nineteen nineties ...

In Search Of Shakespeare Michael Wood The Lost Years - YouTube

Response to In Search of Shakespeare. This documentary was a touching and informing tribute to Shakespeare. I felt this documentary focused on what we know about Shakespeare, and while there was a fair amount of speculation, the speculations were not extreme nor were they far stretched such as to suggest that Shakespeare did not write his own plays. I learnt much of Shakespeare's life. I did ...

Keyword search |: Open Source Shakespeare

Shakespeare just didn't have a very interesting life, and we don't know that much about the more interesting aspects anyway. The attempts to make up for that by featuring unrelated events like the Gunpowder plot happening at the same time don't make up for that. When it's actually analyzing Shakespeare as a person, or his plays (or both at the same time), there can be some worthwhile ...

In search of Shakespeare (Book, 2003) [WorldCat.org]

Michael David Wood (born 23 July 1948) is an English historian and broadcaster. He has presented numerous well-known television documentary series from the late 1970s to the present day. Wood has also written a number of books on English history, including In Search of the Dark Ages, The Domesday Quest, The Story of England, and In Search of Shakespeare.

Almost 400 years after his death, William Shakespeare is still acclaimed as the world's greatest writer, and yet the man himself remains shrouded in mystery. In this absorbing historical detective story, the acclaimed broadcaster and historian Michael Wood takes a fresh approach to Shakespeare's life, brilliantly recreating the turbulent times through which the poet lived: the age of the Reformation, the Spanish Armada, the Gunpowder Plot and the colonization of the Americas. Drawing on an extensive range of sources, Michael Wood takes us back into Elizabethan England to reveal a man who is the product of his time – a period of tremendous upheaval that straddled the medieval and modern worlds. Using a wealth of unexplored archive evidence the author vividly conjures up the neighbourhoods of the Elizabethan London where Shakespeare lived and worked during his glittering career. Full of fresh insights and fascinating new discoveries, this book presents us with a Shakespeare for the twenty-first century: a man of the theatre, a thinking artist, playful and cunning who held up a mirror to his age, but who was also, as his friend Ben Jonson said, 'not of an age, but for all time'.

Almost 400 years after his death, William Shakespeare is still acclaimed as the world's greatest writer, and yet the man himself remains shrouded in mystery. In this absorbing historical detective story, the acclaimed broadcaster and historian Michael Wood takes a fresh approach to Shakespeare's life, brilliantly recreating the turbulent times through which the poet lived: the age of the Reformation, the Spanish Armada, the Gunpowder Plot and the colonization of the Americas. Drawing on an extensive range of sources, Michael Wood takes us back into Elizabethan England to reveal a man who is the product of his time – a period of tremendous upheaval that straddled the medieval and modern worlds. Using a wealth of unexplored archive evidence, the author vividly conjures up the neighbourhoods of the Elizabethan London where Shakespeare lived and worked during his glittering career.

A vivid profile of William Shakespeare and the political, intellectual, and social world in which he lived draws on recently discovered new sources, including police and torture records, to show how the violence, intrigues, purges, and plots of the Elizabethan era informed Shakespeare's work. Reprint. 40,000 first printing.

Investigates the authenticity of the Chandos portrait and five others as true likenesses of playwright William Shakespeare, and explores Shakespeare's life and world, presenting and describing individual costumes, theater models, manuscripts, and maps from his time as well as portraits of his contemporaries.

The first edition of Shakespeare's collected works, the First Folio, published in 1623, is one of the most valuable books in the world and has historically proven to be an attractive target for thieves. Of the 160 First Folios listed in a census of 1902, 14 were subsequently stolen—and only two of these were ever recovered. In his efforts to catalog all these precious First Folios, renowned Shakespeare scholar Eric Rasmussen embarked on a riveting journey around the globe, involving run-ins with heavily tattooed criminal street gangs in Tokyo, bizarre visits with eccentric, reclusive billionaires, and intense battles of wills with secretive librarians. He explores the intrigue surrounding the Earl of Pembroke, arguably Shakespeare's boyfriend, to whom the First Folio is dedicated and whose personal copy is still missing. He investigates the uncanny sequence of events in which a wealthy East Coast couple drowned in a boating accident and the next week their First Folio appeared for sale in Kansas. We hear about Folios that were censored, the pages ripped out of them, about a volume that was marked in red paint—or is it blood?—on every page; and of yet another that has a bullet lodged in its pages. Part literary detective story, part Shakespearean lore, The Shakespeare Thefts will charm the Bard's many fans.

"This book offers a short, spirited defense of rhetoric and the liberal arts as catalysts for precision, invention, and empathy in today's world. The author, a professor of Shakespeare studies at a liberal arts college and a parent of school-age children, argues that high-stakes testing and a culture of assessment have altered how and what students are taught, as courses across the arts, humanities, and sciences increasingly are set aside to make room for joyless, mechanical reading and math instruction. Students have been robbed of a complete education, their imaginations stunted by this myopic focus on bare literacy and numeracy. Education is about thinking, Newstok argues, rather than the mastery of a set of rigidly defined skills, and the seemingly rigid pedagogy of the English Renaissance produced some of the most compelling and influential examples of liberated thinking. Each of the fourteen chapters explores an essential element of Shakespeare's world and work, aligns it with the ideas of other thinkers and writers in modern times, and suggests opportunities for further reading. Chapters on craft, technology, attention, freedom, and related topics combine past and present ideas about education to build a case for the value of the past, the pleasure of thinking, and the limitations of modern educational practices and prejudices"--

Tracing more than two centuries of history, Shakespeare in Montana uncovers a vast array of different voices that capture the state's love affair with the world's most famous writer. From mountain men, pioneers, and itinerant acting companies in mining camps to women's clubs at the turn of the twentieth century and

File Type PDF In Search Of Shakespeare

the contemporary popularity of Shakespeare in the Parks throughout Montana, the book chronicles the stories of residents across this incredible western state who have been attracted to the words and works of Shakespeare. Minton explores this unique relationship found in the Treasure State and provides considerable insight into the myriad places and times in which Shakespeare's words have been heard and discussed. By revealing what Shakespeare has meant to the people of Montana, Minton offers us a better understanding of the state's citizens and history while providing a key perspective on Shakespeare's enduring global influence.

Investigating the literary culture of the early interaction between European countries and East Africa, Edward Wilson-Lee uncovers an extraordinary sequence of stories in which explorers, railway labourers, decadent émigrés, freedom fighters, and pioneering African leaders made Shakespeare their own in this alien land.

Looks at the life, career, works, and influence of William Shakespeare.
