This is a concise guide containing the information you will need to take the AINS 21, 22 and 23 exams. This format has been developed by the author in pursuit of his own certifications which came with a Grade E (Excellent) result. Every topic has been neatly organized into questions and answers which are brief and to the point. This could be used as the sole text book, and does contain most of the subject matter you will need to take any of these exams, but it is highly recommended that these be used along with textbooks provided by the Institutes. Any updated material could be found in the newest textbooks.

A Brookings Institution Press and the National University of Singapore Press publication This is the story of the Singapore healthcare system: how it works, how it is financed, its history, where it is going, and what lessons it may hold for national health systems around the world. Singapore ranks sixth in the world in healthcare outcomes, yet spends proportionally less on healthcare than any other high-income country. This is the first book to set out a comprehensive system-level description of healthcare in Singapore, with a view to understanding what can be learned from its unique system design and development path. The lessons from Singapore will be of interest to those currently planning the future of healthcare in emerging economies, as well as those engaged in the urgent debates on healthcare in the wealthier countries faced with serious long-term challenges in healthcare financing. Policymakers, legislators, public health officials responsible for healthcare systems planning, finance and operations, as well as those working on healthcare issues in universities and think tanks should understand how the Singapore system works to achieve affordable excellence.

To manage things related to the online transactions of customers in today's digital world, banks and other financial institutions have begun to induct IT professionals. The Institute of Banking Personnel Selection (IBPS), therefore, conducts a recruitment exam for inducting competent IT professionals through the IBPS SO IT Officer exam. EduGorilla also wants to extend its helping hand in reducing the stress involved in preparing for this exam, by introducing IBPS SO IT Officer mock tests and online test series.
