The Indian Institutes of Technology are premiere autonomous public technical and research universities located across India. They are governed by the Institutes of Technology Act, 1961, which has declared them as Institutes of National Importance and lays down their powers, duties, and framework for governance. The Institutes of Technology Act, 1961 lists twenty-three institutes. Each IIT is autonomous, linked to the others through a common council, which oversees their administration. The Minis

~~Indian Institutes of Technology – Wikipedia~~

Introduction. Indian Institute of Technology Delhi is one of the 23 IITs created to be Centres of Excellence for training, research and development in science, engineering and technology in India.
