Jaguar Land Rover has also invested in building 'the next generation of flagship Range Rover and Land Rover models' there. Still, removing all Defender production from the UK is a big deal. We first had a go at the new Defender in Namibia at the start of the year but now we've also had a tour of the new facility that has been busy minting the first new Defenders.

2008 saw Land Rover's 60th  
anniversary, for which a new series of  
special edition Defenders were  
produced. Branded the "SVX", three  
models were built. All were painted  
black with "satin" effect body graphics  
on the vehicles' sides and bonnet  
carrying the "60th" logo used  
throughout 2008 at various special  
events and on anniversary  
merchandise.
