Marys Past Victorian Obedience | www.notube
The History of the Fairchild Family by Mary Martha Sherwood was a series of bestselling children's books in nineteenth-century Britain. The three volumes, published in 1818, 1842 and 1847, detail the lives of the Fairchild children. Part I, which was in print for over a century, focuses on Emily, Lucy and Henry's realization of their "human depravity" (original sin) and their consequent need for redemption; Parts II and III emphasize more worldly lessons such as etiquette and virtuous ...

When first published in 1977, A Literature of Their Own quickly set the stage for the creative explosion of feminist literary studies that transformed the field in the 1980s. Launching a major new area for literary investigation, the book uncovered the long but neglected tradition of women writers in England. A classic of feminist criticism, its impact continues to be felt today. This revised and expanded edition contains a new introductory chapter surveying the book's reception and a new postscript chapter celebrating the legacy of feminism and feminist criticism in the efflorescence of contemporary British fiction by women.

This series presents a comprehensive, global and up-to-date history of English-language prose fiction and written ... by a international team of scholars ... -- dust jacket.

Children's series fiction comprises tales incorporating innocence and hard reality along with romance, wit, and character. Heavy streaks of morality diminished as the entertainment element increased. Heroes performed in a wide range of adventures, but restrictions often kept heroines close to home. Series fiction peaked, then waned, but such writers as Beverly Cleary and Madeleine L'Engle carried on the style.
