Amazon.com: Customer reviews: Music Business Made Simple ...
It ' s really that simple, whether you ' re a publisher, an agent, a band manager or a music producer. Be consistently good at what you do, and be consistently good to the people you work with and for, and the word will spread about you. This is perhaps one the most important principles to remember when starting your own music business.

Music Business Made Simple: Start an Independent Record ...

The difference is that I ' ve begun to treat my music and my art as a business instead of simply as a creative outlet. Drawing from the processes that I ' ve seen function well in and around my office, a group of like-minded artists and myself assembled with the purpose of creating a brand to accompany our music.

Record Label
In How to Make It in the New Music Business, here's a guy who says from the beginning that he his not an expert, that he has not "made it" in the music business, but he's writing this book anyway. Apparently he updates this book every so often to modernize it. This book is a way to subsidize his mediocre music career. Cool.
