Ben Nadel reviews

Release It! Design and  
Deploy Production-  
Ready Software by  
Michael T. Nygard.

This book took two-and-  
half-years to read (due

Download File

Release It!: Design and  
Deploy Production-  
Ready Software ...

While both aspects of

# Download File PDF Release It

Design and Deployment are most often handled in separate books you seem to concentrate on glueing them together in one book. Personally I have some weakness in the Deployment part or better said in the release stuff. However I think creating a good Design is much tougher to achieve than a process of release management.

# Download File PDF Release It

Simply because to my opinion Design is an art while the release management is a (also tough) one-time discipline.
