For '06, Ski-Doo lowered the front end, added dual runner Pilot skis and put good shocks front and rear on the 550F. Those were the key modifications that changed this model from economy fun to a pure sports package. Trust me, under the hood there's nothing special going on. The 550 Rotax fan-cooled twin has been around a while. It's a solid performer with exceptional low end, good mid-range ...

Приведены основные технические характеристики и конструктивные особенности по широкому спектру видов спецтехники, выпускаемых как в странах СНГ, так и за рубежом. Удобство справочника заключается в четкой классификации техники по разделам и расположении заводов-изготовителей в каждой главе строго в алфавитном порядке. В приложении приведены нормы расхода топлива на автомобильном транспорте, перечень государственных стандартов по тематике издания и краткая техническая информация по автомобильным шасси. Справочник предназначен для руководителей, инженеров транспортных и технологических отделов предприятий, занимающихся проектированием, разработкой и эксплуатацией спецтехники, работников организаций, производящих и реализующих спецтехнику, инспекторов Гостехнадзора, а также преподавателей и студентов соответствующих специальностей технических вузов.

"Only small secrets need to be protected. The large ones are kept secret by the public's incredulity." - Marshall McLuhan
The media's favorite "hoax" is the Q Anon movement. Is it a joke? Is it dangerous? Who's involved and how did it begin? "Q Anon, An Invitation to The Great Awakening," explains the phenomena with the help of 12 citizen journalists--from the very first Q post right up until present day.

Albania provides a small amount of social assistance to nearly 20% of its population through a system which allows a degree of community discretion in determining distribution. This study investigates the poverty targeting of this program. It indicates that relative to other safety net programs in low income countries, social assistance in Albania is fairly well targeted to the poor.

The marvelous story of the Flatiron: the instantly recognizable building that signaled the start of a new era in New York history. Critics hated it. The public feared it would topple over. Passersby were knocked down by the winds. But even before it was completed, the Flatiron Building had become an unforgettable part of New York City. The Flatiron Building was built by the Chicago-based Fuller Company--a group founded by George Fuller, "the father of the skyscraper"--to be their New York headquarters. The company's president, Harry Black, was never able to make the public call the Flatiron the Fuller Building, however. Black's was the country's largest real estate firm, constructing Macy's department store, and soon after the Plaza Hotel, the Savoy Hotel, and many other iconic buildings in New York as well as in other cities across the country. With an ostentatious lifestyle that drew constant media scrutiny, Black made a fortune only to meet a tragic, untimely end. In *The Flatiron*, Alice Sparberg Alexiou chronicles not just the story of the building but the heady times in New York at the dawn of the twentieth century. It was a time when Madison Square Park shifted from a promenade for rich women to one for gay prostitutes; when photography became an art; motion pictures came into existence; the booming economy suffered increasing depressions; jazz came to the forefront of popular music--and all within steps of one of the city's best-known and best-loved buildings.

Lady Molly is a Victorian-era sleuth featured in 12 linked cases. She doesn't always catch the criminal, but her adventures are amusingly written and showcase the era marvelously.

Alaska Geographic is an award-winning series that presents the people, places, and wonders of Alaska to the world. Over the past 30 years, Alaska Geographic has earned its reputation as the publication for those who love Alaska. The series boasts more than 100 books to date, featuring communities from Barrow to Ketchikan, animals from bears to dinosaurs, history from the Russian explorers to today, and natural phenomena from the aurora to glaciers. Written by leading experts in their fields, these books are illustrated throughout with world-class photography and include colorful maps for reference.

Expanded hardcover edition of expert's popular guide features 23 classic patterns for Aran sweaters, mittens, moccasins, and other items. Suitable for intermediate to advanced knitters. Includes new color photos, sizing charts, and more.

Striking a unique balance between skills and theory, Intercultural Competence provides readers with the background and confidence to succeed in today's multicultural environment. Blending both the practical and the theoretical, the concrete and the abstract, this book is both enjoyable to read and thoroughly researched. By clearly explaining different theories and the significance of cultural patterns and having readers practice what they learn via examples in the book, Intercultural Competence better prepares readers to interact in intercultural relationships. The book also provides a discussion of important ethical and social issues relating to intercultural communication. The authors cover American multiculturalism as well as global cultural issues.

The subject of Convergence is the creative, social, political and pedagogical issues raised by the advent of new media technologies.

A rags to riches story of a woman of indomitable spirit and of the passionate love that moulds and ultimately changes her life... Fighting her way from humble beginnings in a foster home to CEO of her own highly respected international company hasn't been easy for Hilary Brand. Even after she seems to have reached the top, troubles abound: her business in China, always fraught with problems, is in peril; and her arch-nemesis Haskins Gould - once her closest business associate, but now her greatest enemy - is gaining traction in his unceasing determination to destroy all she has created. Hilary's two daughters - unhappy trophy wife Jennifer and brilliant but troubled journalist Sara - also traverse the joys and terrors of love as they try to tread their own paths in the shadow of such a powerful woman. From the vastness of Western Australia to glittering Sydney and the teeming streets of Hong Kong and Singapore, this is a story of contrasting loves and of a woman of fierce determination... a woman of courage From the bestselling author of Dust of the Land
