Special Feature: This book offers eight unique self-evaluating exercises. Many books have been written on the subject of public speaking. Often these voluminous books have been composed with the aspiring professional speaker in mind. However, most people do not want to become professional speakers. They just want to be able to address an audience, when required, and to deliver a presentation with grace, humour and confidence. But most people are afraid! A study conducted by Reader's Digest and Yale University has, for twelve years in a row, concluded that the number one fear amongst 75 per cent of North Americans is the fear of speaking in front of a group of people. Why do we have this fear of speaking in public? "Powerful Presentations" answers that question and suggests ways to overcome that fear. The book takes the reader through eight easy steps to write a presentation and eight secrets to present with power and confidence. This practical book on public speaking will help students, managers, executives and, in fact, everyone to communicate with an audience in a competent manner.

33 practical tips for public speaking is a guide full of practical solutions for delivering effective presentations with real impact in front of any audience: business meetings, teaching classes, conferences, social events, celebrations... You will find resources, techniques and tools for connecting with your audience and delivering successful presentations. More than 33 practical solutions, with examples, to improve your speeches and make an impression on the audience. CONTENT What to say: how to prepare the content of your presentation and structure your message to get your audience's attention. How to say it: techniques and resources to present your speech in front of an audience. Techniques to control nerves, overcome fear of public speaking, and speak surely and with confidence. "A practical guide to improving your communication skills in front of an audience"
