The Girl Who Dared to Endure by Bella Forrest

The Girl Who Dared to Think is a pretty solid 3.5 out of 5 stars from me, as I don't think it's a bad book by any means but there were just a few areas where I found it to be a little lacking. The world-building on the whole is actually pretty strong, building a dystopian regime ruled by an almost god-like AI on the basis of algorithms that judge each human on their optimism and concentration span.

The Lady Who Dared is a 1931 American pre-Code drama film directed by William Beaudine and starring Billie Dove, Sidney Blackmer and Conway Tearle. [2] Print survival, Library of Congress and Turner.

In this second installation, Liana Castell makes a shocking discovery, after stumbling upon an ancient, dusty office sealed away from the rest of the Tower. Her first instinct is to flee - until she realizes all is not what it seems. The room has been hidden for a reason. It holds secrets about the Tower's past, and answers that could be key to her people's future. But with this knowledge comes grave danger, as Liana will quickly discover.

Twenty-year-old Liana Castell must be careful what she thinks. Her life is defined by the number on her wristband -- a rating out of ten awarded based on her usefulness and loyalty to the Tower, and monitored by a device in her skull. A device that reports forbidden thoughts. Liana is currently a four, the lowest possible acceptable score. When her worst nightmare comes to pass and she drops to a three, desperation spurs her down a path few dare to tread.

AN INSTANT NEW YORK TIMES BESTSELLER A READ WITH JENNA TODAY SHOW BOOK CLUB PICK! "Brave, fresh . . . unforgettable."—The New York Times Book Review "A celebration of girls who dare to dream."—Imbolo Mbue, author of Behold the Dreamers (Oprah's Book Club pick) Shortlisted for the Desmond Elliott Prize and recommended by The New York Times, Marie Claire, Vogue, Essence, PopSugar, Daily Mail, Electric Literature, Red, Stylist, Daily Kos, Library Journal, The Everygirl, and Read It Forward! The unforgettable, inspiring story of a teenage girl growing up in a rural Nigerian village who longs to get an education so that she can find her "louding voice" and speak up for herself. The Girl with the Louding Voice is a simultaneously heartbreaking and triumphant tale about the power of fighting for your dreams. Despite the seemingly insurmountable obstacles in her path, Adunni never loses sight of her goal of escaping the life of poverty she was born into so that she can build the future she chooses for herself – and help other girls like her do the same. Her spirited determination to find joy and hope in even the most difficult circumstances imaginable will "break your heart and then put it back together again" (Jenna Bush Hager on The Today Show) even as Adunni shows us how one courageous young girl can inspire us all to reach for our dreams...and maybe even change the world.

Readers will be inspired by this immigration story about a young refugee whose family tries to emigrate to Pakistan when India is divided into two separate nations. This short, 32-page hi-lo book features full-color illustrations to capture the attention of kids who enjoy realistic fiction stories about characters who must overcome difficult circumstances in order to survive.

In the wake of the violent labor disputes in Colorado's two-year Coalfield War, a young woman and single mother resolved in 1916 to change the status quo for "girls," as well-to-do women in Denver referred to their hired help. Her name was Jane Street, and this compelling biography is the first to chronicle her defiant efforts—and devastating misfortunes—as a leader of the so-called housemaid rebellion. A native of Indiana, Jane Street (1887–1966) began her activist endeavors as an organizer for the Industrial Workers of the World (IWW). In riveting detail, author Jane Little Botkin recounts Street's attempts to orchestrate a domestic mutiny against Denver's elitist Capitol Hill women, including wives of the state's national guard officers and Colorado Fuel and Iron operators. It did not take long for the housemaid rebellion to make local and national news. Despite the IWW's initial support of the housemaids' fight for fairness and better pay, Street soon found herself engaged in a gender war, the target of sexism within the very organization she worked so hard to support. The abuses she suffered ranged from sabotage and betrayal to arrests and abandonment. After the United States entered World War I and the first Red Scare arose, Street's battle to balance motherhood and labor organizing began to take its toll. Legal troubles, broken relationships, and poverty threatened her very existence. In previous western labor and women's studies accounts, Jane Street has figured only marginally, credited in passing as the founder of a housemaids' union. To unearth the rich detail of her story, Botkin has combed through case histories, family archives, and—perhaps most significant—Street's own writings, which express her greatest joys, her deepest sorrows, and her unfortunate dealings with systematic injustice. Setting Jane's story within the wider context of early-twentieth-century class struggles and the women's suffrage movement, The Girl Who Dared to Defy paints a fascinating—and ultimately heartbreaking—portrait of one woman's courageous fight for equality.

"Reunite with Liana one last time... Are you ready to return to the Tower? The electrifying conclusion of Liana Castell's journey."—Publisher's description.

Return to the Tower and reunite with Liana Castell in the breath-stealing third book of The Girl Who Dared to Think series. Buy now!

Return to the Tower in the fourth book of The Girl Who Dared series, where Liana will face her greatest challenge yet.

Women have been doing amazing, daring, and dangerous things for years, but they're rarely mentioned in our history books as adventurers, daredevils, or rebels. This new compilation of brief biographies features women throughout history who have risked their lives for adventure—many of whom you may not know, but all of whom you'll WANT to know, such as: • Annie Edson Taylor, the first person who dared to go over Niagara Falls in a barrel • Valentina Tereshkova, the first woman who dared to fly in space • Helen Gibson, the first woman who dared to be a professional stunt person • And many more! This is the perfect read for anyone who wants to know what it means to explore, discover, play, climb, and fight like a girl!
