editions in his lifetime. It is one of the earliest-known examples of published writing by an African writer to be widely read in England. By 1792, it was a best seller and had been published in Russia, Germany, Holland and the United States.

~~Olaudah Equiano~~ — Wikipedia

Olaudah Equiano and his interesting narrative provide an insight into a time and situation that few people survived to record or recall, and those that did survive were rarely ever literate. For this reason, and so many others, Equiano (or Gustavus Vassa as he was later christened) has a unique story to tell.

Relates the experiences of an African prince who was kidnapped into slavery in 1755 and followed his various masters from the Americas to Europe and through the Caribbean.

In the mid 1700s, around the age of eleven, Olaudah Equiano and his sister were kidnapped from their village in equatorial Africa and sold to slavers. Within a year he was aboard a European slave ship on his way to the Caribbean. The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African was published by the author in 1789 and is part adventure story, part treatise on the corrupting power of slavery, and part tract about the transformative powers of Christianity. Equiano's story takes him from Africa to the Americas, back across the Atlantic to England, into the Mediterranean, and even north to the ice packs, on a mission to discover the North-East passage. He fights the French in the Seven Year's War, is a mate and merchant in the West Indies, and eventually becomes a freedman based in London. The Interesting Narrative of the Life of Olaudah Equiano was one of the first popular slave narratives and was reprinted eight times in the author's lifetime. While modern scholars value this account as an

important source on the life of the eighteenth-century slave and the transition from slavery to freedom, it remains an important literary work in its own right. As a valuable part of the African and African-American canons, it is still frequently taught in both English and History university courses. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Interesting Narrative of the Life of Olaudah Equiano was a key work of nineteenth-century slave narrative autobiography. Written and published by Equiano, a former slave, it became a prototype for the narratives that followed. Kidnapped in Africa as a child, Equiano was transported to the Caribbean and then to Virginia, bought by a Quaker shipowner, and placed in service at sea. Aboard various American and British ships, he sailed throughout the world, and he continued to do so after having purchased his freedom in 1766. Once settled in London, he fought tirelessly to end slavery. This edition of Equiano's Narrative places the text in the center of abolitionist activity in the late eighteenth century. Equiano knew many of the leading abolitionist figures of his time, and this edition allows readers to trace the common ideas and cross-influences in the works of the political and literary figures who fought for the end of slavery in America and England. The original 1789 text of the narrative has been used for the Broadview edition with Equiano's subsequent emendations included in the appendices.

'I hope the slave trade may be abolished. I pray it may be an event at hand.'Published a few days before the British parliament first debated the abolition of the slave trade in 1789, Olaudah Equiano's Interesting Narrative gives the author's account of his enslavement after his childhood kidnapping in Africa, and his journey from slavery to freedom. Equiano was slave to a captain in the Royal Navy, and later to a Quaker merchant, and he vividly depicts the appalling treatment of enslaved people at sea and on land. He takes part in naval engagements, is shipwrecked, and has other exciting

Download Ebook The Interesting Narrative And Other Writings Penguin Classics

adventures on his travels to the Caribbean, America, and the Arctic. Equiano claimed his own freedom and became an important abolitionist, but his Narrative is much more than merely a political pamphlet. The most important African autobiography of the eighteenth century, it has achieved an increasingly central position among the century's great works of literature. The introduction to this edition surveys recent debates about Equiano's birthplace and identity, and considers his campaigning role and literary achievements.

'I hope the slave trade may be abolished. I pray it may be an event at hand.' Published a few days before the British parliament first debated the abolition of the slave trade in 1789.

The Interesting Narrative of the Life of Olaudah Equiano, written in 1789, details its writer's life in slavery, his time spent serving on galleys, the eventual attainment of his own freedom and later success in business. Including a look at how slavery stood in West Africa, the book received favorable reviews and was one of the first slave narratives to be read widely.

The impassioned abolitionist and eloquent orator provides graphic descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North and eventual freedom.
