Like "Sweat cleaned you as effectively as water. But this was the race which had invented the proverb that cleanliness was next to godliness - cleanliness, not purity."

In a poor, remote section of southern Mexico, the Red Shirts have taken control. God has been outlawed, and the priests have been systematically hunted down and killed. Now, the last priest strives to overcome physical and moral cowardice in order to find redemption. Introduction by John Updike

In a poor, remote section of southern Mexico, the Red Shirts have taken control, God has been outlawed, and the priests have been systematically hunted down and killed. Now, the last priest strives to overcome physical and moral cowardice in order to find redemption. 240 pp.

This prize-winning novel of a fugitive priest in Mexico is quite simply "Graham Greene's masterpiece" (John Updike, The New York Review of Books). In the Mexican state of Tabasco in the 1930s, all vestiges of Catholicism are being outlawed by the government. As churches are razed, icons are banned, and the price of devotion is execution, an unnamed member of the clergy flees. He's known only as the "whisky priest." Beset by heretical vices, guilt, and an immoral past, he's torn between self-destruction and self-preservation. Too modest to be a martyr, too stubborn to follow the law, and too craven to take a bullet, he now travels as one of the hunted—attending, in secret, to the spiritual needs of the faithful. When a peasant begs him to return to Tabasco to hear the confessions of a dying man, the whisky priest knows it's a trap. But it's also his duty—and possibly his salvation. Named by Time magazine as one of the hundred best English-language novels written since 1923, *The Power and the Glory* is "a violent, raw" work on "suffering, strained faith, and ultimate redemption" (The Atlantic).

The story of one man, an alcoholic "whiskey priest," on the run through the jungles, villages, and plantations of Mexico in the 1930s.

Tragedy Denis Cannan and Pierre Bost, adapted from Graham Greene. Characters: 28 male, 9female, extras Unit set, frags., travellers. In the revolutionary days of Mexico a priest decides to stay with his people in disguise rather than escape. It is little consolation, however. For wherever the priest goes with the Mass and the Sacraments, the police are sure to follow executing those who harbored him. Though he is a humanly weak priest, with a past of ma

On a damp October night, the body of young, beautiful Ashley Cordova is found in an abandoned warehouse in lower Manhattan. By all appearances her death is a suicide--but investigative journalist Scott McGrath suspects otherwise. Though much has been written about the dark and unsettling films of Ashley's father, Stanislas Cordova, very little is known about the man himself. As McGrath pieces together the mystery of Ashley's death, he is drawn deeper and deeper into the dark underbelly of New York City and the twisted world of Stanislas Cordova, and he begins to wonder--is he the next victim? In this novel, the dazzlingly inventive writer Marisha Pessl offers a breathtaking mystery that will hold you in suspense until the last page is turned.

Now with a new introduction by David Rieff, "The Lawless Roads" is the result of Graham Greenes expedition to Mexico in the late 1930s to report on how the inhabitants had reacted to the brutal anticlerical purges of President Calles. His journey took him through the tropical states of Chiapas and Tabasco, places where all the churches had been destroyed or closed and the priests driven out or shot. The experience provided Greene with the setting and theme for one of his greatest novels, "The Power and the Glory,"

The Book of Acts never ended! Live and Experience the Book of Acts today! Experience the Book of Acts today! Supernatural Christianity never ended! A generation today is asking, Where are all God's miracles which our fathers told us about? (Judges 6:13). Author of the best-selling book They Told Me Their Stories, Tommy Welchel answered this question, living among the youth of one of the greatest spiritual outpourings ever experienced—the Azusa Street Revival. During this time, Tommy recorded first-hand accounts of the miracles that they had witnessed... and even performed themselves! These testimonies have been shared around the world, and the results have been amazing: Miraculous healings, supernatural phenomena, and impossible situations being turned around by a wonder-working God. As you read about the miracles that God performed during this great move of His Spirit, your faith will be stirred to: • Encourage others that God's healing power has not passed away • Believe for the miraculous in your life • Release supernatural breakthrough to people who need a touch from God Prepare to experience a fresh outpouring of God's Spirit... today!

There have been a number of Graham Greene biographies, but none has captured his voice, his loves, hates, family and friends—intimate and writerly—or his deep understanding of the world, like this astonishing collection of letters. Graham Greene is one of the few modern novelists who can be called great. In the course of his long and eventful life (1904—1991), he wrote tens of thousands of letters to family, friends, writers, publishers and others involved in his various interests and causes. A Life in Letters presents a fresh and engrossing account of his life, career and mind in his own words. Meticulously chosen and engagingly annotated, this selection of letters—many of them seen here for the first time—gives an entirely new perspective on a life that combined literary achievement, political action, espionage, exotic travel and romantic entanglement. In several letters, the individuals, events or places described provide the inspiration for characters, episodes or locations found in his later fiction. The correspondence describes his travels in Mexico, Africa, Malaya, Vietnam, Haiti, Cuba, Sierra Leone, Liberia and other trouble spots, where he observed the struggles of victims and victors with a compassionate and truthful eye. The volume includes a vast number of unpublished letters to authors Evelyn Waugh, Auberon Waugh, Anthony Powell, Edith Sitwell, R.K. Narayan and Muriel Spark, and to other more notorious individuals such as the double-agent Kim Philby. Some of these letters dispute previous assessments of his character, such as his alleged anti-Semitism or obscenity, and he emerges as a man of deep integrity, decency and courage. Others reveal the agonies of his romantic life, especially his relations with his wife, Vivien Greene, and with one of his mistresses, Catherine Walston. The letters can be poignant, despairing, amorous, furious or amusing, but the sheer range of experience contained in them will astound everyone who reads this book.
